

Z-812 ZINOX NANO Z-SHINE

PROTECTIVE COATING FOR PAINTED METAL ROOFS

DESCRIPTION

Z-Shine is a water-based nanotechnology protective coating designed for painted metal roofs. It helps protect painted finishes against UV rays, improves water repellency, enhances appearance, and provides a durable glossy effect. It can also be used as a clear topcoat over elastomeric coatings such as Z-Seal.

USES

Recommended for painted metal roofs and other compatible exterior metal surfaces. It may also be used as a clear topcoat over elastomeric coatings such as Z-Seal to provide a glossy finish.

SURFACE PREPARATION

Surfaces must be clean, dry, sound, and free of dust, grease, wax, oil, dirt, mildew, loose rust, and other contaminants. Clean and prepare the surface before application. Rinse if required and allow the surface to dry completely before applying.

APPLICATION

Stir well before use. Apply between 10°C and 30°C by brush, roller, or airless sprayer. Apply a thin, even coat to achieve the desired gloss level. Ready to use. Do not thin.

THINNING

None. Ready to use.

TOOL CLEAN-UP

Clean with fresh water immediately after application.

DISPOSAL

Consult your municipality for proper disposal of leftover product. Do not pour residue into drains.

TECHNICAL DATA

SKU : Z-812

Appearance : Clear / transparent liquid

Odour : Light

Finish : Gloss

Theoretical coverage : 800 to 1,000 sq.ft. / 2.5 gal (9.46 L)

Recommended film thickness : 0.5 to 0.75 mils

Composition : Water-based nanotechnology protective coating

APPLICATION CONDITIONS

Temperature : 10 to 30 °C (50 to 86 °F)

Relative humidity : Maximum 85%

Drying : Varies with temperature, humidity, and substrate

RECOMMENDED TOOLS

Brush : Nylon / polyester

Roller : Short-nap roller cover

Sprayer : Airless tip size 5-13 to 5-17

STORAGE

Store in a cool, dry, well-ventilated area. Protect from freezing. Keep container tightly closed when not in use.

WARRANTY

Limited warranty. Application conditions and surface preparation may affect final results. See Zinox terms and conditions of sale.
